1. Claim 21 is rejected under 35 U.S.C. 112, second paragraph as being vague and indefinite. The term "packet self describes" in claim 21 is a ambiguous term which renders the claim indefinite. The term "packet self describes" is not defined by the claim, the specification does not provide a standard for ascertaining the requisite degree, and one of ordinary skill in the art would not be reasonably apprised of the scope of the invention.
